

Prof. Mingzhe Li

Name: Mingzhe Li
Tel: +86-551-63607032/63607237
Email: limz@ustc.edu.cn

Positions held & Education

Jun. 2014 -- present	Professor, USTC
Jan. 2013 -- Jun. 2014	Associate professor, USTC
Feb. 2009 -- Dec. 2012	Associate professor, Nanjing University
Jan. 2007 -- Dec. 2008	Postdoctoral scholar, University of Bielefeld, Germany
Jan. 2005 -- Dec. 2006	postdoctoral scholar, University of Heidelberg, Germany (Alexander von Humboldt fellowship)
Sept. 1999 -- Jul. 2004	Ph.D. , Institute of High Energy Physics, CAS
Sept. 1995 -- Jul. 1999	B.Sc. in physics, Nanjing University

Areas of research

Cosmology, Gravity

Research Interests

Particle cosmology, including dark energy/matter, baryon number asymmetry, early universe, cosmic microwave background radiation, cosmological perturbations, theories of modified gravity.
